We strongly believe that graduates of our study programme will be able to make strategic, ambitious, fact-based and considerate decisions about economic and business trends. This will allow to choose the best option of many open opportunities – you can become a specialist in economics and management of international business and start-up, an entrepreneur, researcher, business consultant, etc. You can definitely be a courageous expert and a brave innovator to develop your own and others' business ideas.

*Asst. prof. Romāns Putāns,
Head of the study programme*

APPLICATION REQUIREMENTS

Completed secondary education

- Diploma
- Transcript of grades

Good or excellent final grades in the following subjects

- English*
- Mathematics

* International test score (IELTS, TOEFL, etc.)/ secondary school grade

Business today has no borders on the map. I started developing my mobile app Drone Pilot in Riga, continued in Estonia, but am now working on it in London. RSU is the most international among Latvian universities – a quarter of students are from abroad, and these are ideal conditions to prepare for the international environment that awaits every start-up entrepreneurship.

*Kristers Jurševskis,
co-founder of start-up Drone Pilot, RSU graduate*
